County Road

On 1st December Parkgate Surgery took over the management of County Road Surgery, Ormskirk. This situation arose due to the sudden and unexpected retirement, due to ill health, of Dr Ray.

We would like to reassure you that this will not affect access or quality of care for patients.

As from 1st April we plan to merge the two Practices, keeping both sites open. We are excited about this new venture which we hope will lead to expansion of the services we are able to offer at both Practices.

If you have any concerns please contact Debbie Dobson, Practice Manager, via Reception on 01695 736177.

We are pleased to announce Dr Helen Billington will be joining our team as an additional GP from Monday 1st April.

Dr Hooson is currently on maternity leave following the birth of baby Noah.

Dr Greta Gregory (no relation to Dr Peter Gregory) and Dr Andrew Littler will provide cover whilst Dr Hooson is away

Women's Health Clinic
